Dear Parents/Caregivers

What a wonderful day our Athletics Carnival was; the rain held off, the program ran like clockwork, we had a lot of parent support and the students were beautifully behaved. Thank you to Mr Ross Tompkins for his super organisation and to all the staff members for their support and commitment to make the day a great one for the children. Congratulations to the students who received medals for their efforts. In many cases it was a very close call.

As you can see from the reports from Vicki Harvey and Debbie Butler our participation in the massed choir was a splendid success. Well done Tim and the students, another bonus for Swan View Primary School.

The Coles dockets keep rolling in, a quick count gives us around 27,000. As the program has been extended to the end of October you will all have an opportunity to keep on collecting and we will end up with another big box of sporting equipment, thanks to all of you.

I need to remind everyone that the car park is for staff, I have seen assorted cars driving in and using it as a drop off area. Please avoid doing this because it causes congestion and creates a risk for both staff and students.

Only two weeks of the term left and so it is timely to remind you that all students must have a school hat for fourth term.

In Term Swimming Lessons

These will be held next term commencing on Monday 31st October and concluding on Friday November 11th. The cost for the ten swimming lessons will be $30.00, the same cost as last year.

Swimming lessons are compulsory for all students from years 1-7 as it is part of the Health and Physical Education Learning Area. If for some reason your child is unable to attend then a note needs to be forwarded to the class teacher.

Unfortunately because of the short nine week last term there has been a clash with in term swimming lessons and the inter school athletics carnival which will be held this year during week three. Traditionally swimming lessons do not commence until week four.

As a result of this those children who are chosen to represent Swan View in the inter school athletics carnival face the possibility of missing two of their lessons if they are participating in both the jumps and track and field events. To compensate for this, children who are members of the athletics team will not be required to pay bus fare for either of those two days a potential saving of $8.00.

Swimming enrolment forms will be sent out on the first day back in term 4.

The winner of the Book Week competition was Byron Walley, C6, for answering the 10 geographical questions that were found by looking carefully at our very big globe in the LRC.  

The winners of our jumbled picture competition were: 1st Janeeta Geldert C1, 2nd Tiana Chapman of B2 and 3rd Isla Frazer of B1. These children will be presented with their book prizes at the next assembly. Congratulations winners. The poet Hart Crane said “One must be drenched in words, literally soaked in them, to have the right ones form themselves into the proper pattern at the right moment “

**ITALIAN DAY 2011, ‘A DAY IN POMPEII’**

**BUONGIORNO EVERYONE!**  
In two weeks time on Wednesday, 28th September, all the students from years one to seven will be celebrating ‘A DAY IN POMPEII’. This is an all-day event which is an important part of our Italian program. We have been learning about the Italian city of Pompeii, which was destroyed thousands of years ago by a volcanic eruption. This occurred during the Roman times, therefore students are encouraged to dress up as ancient Romans or even as a volcano or a plaster body cast! More information will be provided in a note going home to all families. The canteen will be offering a wonderful Italian menu on this day so I urge all parents and care-givers to order something special for their children to enjoy. Assembly will be at 8.50am and I hope to see many families on the day. Let’s make this an exciting and memorable Italian Day! Grazie! Professoressa Russo

On Wednesday evening I went to Winthrop Hall for the third time to watch Swan View Choir participate in the annual WA Massed Choir Concert. I was again extremely impressed with our choir teacher Mr Schoenmakers and the conductors David Jackson and Mary-Anne Goyder in getting the complete 480 students from various schools of Perth to put on a performance that always blows my mind away. The children all enjoyed the experience and late night out. What the conductors do with the children in the few hours they have with them is absolutely amazing. Surely not to be missed. I hope next year is just the same as this year’s.  

Vicki Harvey

I also had the pleasure of attending the Primary Schools Massed Choir Festival last Wednesday. This is the first time I have attended but it certainly will not be my last. Listening to the voices of so many children in tune was a wonderful experience as were the smiles on their faces. Never before have I seen 480 children sit and stand in such unison at the cue of the conductors. Be sure that next time our school participates in this festival that you do not miss the opportunity of such an uplifting event.

Interschool Cross Country

On Friday 19th August we had a group of about 35 students travel to the Mundaring Golf Course for the annual interschool cross country event. The wet weather restricted the amount of training our students were able to do before the event, so weren’t as prepared as in previous years. There were 14 schools attending with 4 runners from each school in each race. The course was slightly more friendly this year, with the big hill at the start and finish taken out, to the relief of all the students. The distance of the cross country was about 1000m for year 4 and 5 and about 1500m for year 6 and 7 students.

Our students once again behaved very well as they always do on excursions and it was a pleasure to be there with them. Everyone tried their hardest and ran as well as they possibly could. Our best individual result was Caelan Toki who finished in 3rd place, well done Caelan!! but all of our runners can be proud of their efforts. Thanks to the parents who came along to cheer on their children and especially to Mrs Megan Robinett who assisted by handing out ribbons during the whole event.

Trek the Trail

Sunday September 18th
This is a fabulous opportunity to get amongst nature, breathe in some fresh air and enjoy some delightful scenery. A total distance of 12km between Wooroloo and Chidlow with an option to start at a half-way point too.

Students are able to raise money for their school as part of the Water corporation School Trekathon.
For more information visit the Trek website www.trekkethtrail.com.au

Coles and Woollies
Our school is once again participating in the Coles Sports for School Promotion. We are also registered with the Woolworth’s Earn and Learn Promotion. If you shop at either of these stores you will receive vouchers. If you then bring those vouchers into the school office we can allocate them to the appropriate promotion and hopefully receive some “free” goodies. Last year with points earned we received & distributed many items such as a complete badminton set, Frisbees, rugby balls, soccer balls. Thank you for your support.

Soccer for Juniors
