Enrolments 2017

You must enrol your children in your local school as soon as possible.

Families need to apply to enrol their children in a public school for 2017 if they are:
- starting Pre-primary (first year of compulsory school) – 5 years old by 30 June 2017
- starting Year 7 (first year of secondary school)
- changing schools.

Families can also apply to enrol children in Kindergarten for 2017 if they are 4 years old by 30 June 2017.

All children from Pre-primary to Year 12 are guaranteed a place at their local public school.

To apply to enrol your child, visit your local school at your earliest convenience.
For more information, or to find your local school, visit education.wa.edu.au.

END OF TERM

Another very busy term has slipped by with EduDance and Athletics training taking up a large slice of the time. Parent Night was well attended and the staff and students are appreciative of parents and carers for coming up in droves. Early next term we will have our Interschool Athletics Carnival and swimming will begin on October 24, week 3. Remember swimming is a part of the physical education program and all students are expected to participate apart from those who have a medical certificate. Take care and enjoy having the children at home for the holidays.

Cheers, Marg.

MATHLETICS AT HOME

If your child spends time on Mathletics at home and is finding the level difficult, please see your class teacher, Mrs Armstrong or send a letter to change the level, so your child experiences success when trying to improve their maths understandings.
