From The Principal's Desk

Students are to arrive at school between 8:30am and 8.45am.

The school day begins at 8.45.

After that a student is deemed to be late.

Dear Parents, Carers and Staff,
Welcome back to Term 2.
It will be the usual mad cap run and hurtle through the next nine weeks.

UNIFORM

I know you get sick and tired of me going on about the school uniform but it is a matter of standards. Maroon or grey tights may be worn by the girls but only under a skirt or a skort. I remind you that the school uniform does not include jackets with hoodies. Please don't give in to your child when they demand to wear anything other than the school uniform.

SCHOOL BANKING

Please remember that Angela Hewer is conducting our school banking. This is a great program to encourage saving habits with excellent rewards. Angela is only too happy to sit with you and explain how to get your child started with school banking.

VOLUNTARY CONTRIBUTIONS AND SCHOOL CHARGES

The school depends on the voluntary contributions requested of the parents. We are among the very few schools charging a low \$20 per year per student. I have been here 10 years and there has not been an increase. Other staff members have been 20 years and they tell me the voluntary contributions have remained \$20 that long ago. This is a very small amount to ask parents to contribute to the education of their children. And yet only 53% of our parent/carers paid \$20 last year. So much the children go without.

REMINDER SPECIAL PROGRAMS FOR THE REMAINDER OF THE YEAR

Edu Dance will take place in Term 3, and In-Term swimming in Term 4. I suggest that you start part payments for all the above so that by the time dance and swimming are upon us you will have very little to worry about in terms of the balance payable. Leonie and Vanya are more than happy to help you set up a part payment system.

JUMP ROPE FOR HEART

Our school is participating in the Heart Foundation Jump Rope for Heart program again this year. It is a non-competitive program which encourages children to become more active through skipping. Over the next few weeks your children will learn a range of skipping skills and new tricks with which to show off. Over the years, Swan View PS has raised thousands of dollars for heart research. This is a worthwhile community cause and we are all proud to be a part of it.

Cheers, Marg
