From The Principal's Desk

Dear Parents/Carers and Teachers,
Welcome back to the beginning of another great year at Swan View Primary. As you can see from the attached term calendar we already have some exciting co-curricular events planned. Please keep Friday 24 February, 5.30-7.30 free so that you can attend a school community event with your children. The Mucky Duck bush band is visiting us for an evening of music and dance and we want you to be a part of it.

If you have a concern or you wish to share some information considered important for teachers or the Principal please call the office and make an appointment to see the person best positioned to deal with the issue. I cannot always stop what I am doing because someone has appeared out of the blue to see me. Sorry.

The same goes for class teachers who are busy teaching and cannot leave the class unattended while they speak with parents and carers.

Students are to arrive at school between 8:30am and 8:45am.

The school day begins at 8:45am.

After 8:45am the student is deemed to be late and must go to the front office for a late note.

Staff Car park

We are still having problems with parents and carers dropping children off in the staff car park. Please be aware of the dangers of this practice and of parking in the bus bay at pick up time especially.

Breakfast Club

Volunteers are needed urgently for the Breakfast Club on Monday, Wednesday and Friday mornings. This is a fabulous opportunity to get to know the students and to help provide some brain food before school starts for the day.

This year is a very exciting one for our school because [Swan View Primary School celebrates 75 years](#) of contributing to the community.

We would love for you to take a trip down memory lane!

If you have any photos of school excursions, sports carnivals, assemblies, or anything regarding SVPS we would love to have them in order to put them on display for the school fete in October. Ask your family members if they have any memorabilia to contribute to the collection. It's great fun to see old uniforms, maybe report cards, hand written reports, children riding horses to school, those who came bare footed, 40 kids in one class, playing hoops and marbles or knucklebones and lots more. The fete committee has a Facebook page set up and we encourage everyone to join the [-Swan View 75 Anniversary Facebook page](#). *Have a wonderful year everyone, enjoy every minute of your child's learning journey and make sure you share it with the teacher.*

Cheers, Marg.
