Welcome back to Term 4 Parents, Carers, Students and Staff, we hope you enjoyed having the children home for the holidays.

Once again the term calendar is jam-packed with challenging events. Please take the time to lock away dates in your personal diaries and keep the calendar in a special place for future reference.

As usual the discarded clothing items have been washed and returned and as usual most items had no names. **PLEASE MARK YOUR CHILD'S UNIFORMS AND MAKE SURE EACH CHILD HAS A WIDE BRIMMED HAT WITH THEIR NAME ON IT.**

THANK YOU

Thank you to the P & C for arranging the cake stall to coincide with the Dance Concert on the last Thursday of term 3. **SMART MOVE.**

CHILDREN'S UNI

A big reminder that on Monday 21 October, Ms O has arranged a Word Search and the students engaged in the Universities for Children program, along with their parents and carers, will join in the fun at 3:00pm.

SWIMMING

Swimming lessons begin on Monday 28 October - only 1 more week - please ensure your children have; bathers, towel and change of underwear in a plastic/reusable bag. All items need to be named. Forms and payment are required for students to attend.

PASSPORT TO SUCCESS

The Year 6 students will attend a program titled Passport to Success. This will take place at 1:45 to 2:45 every Thursday commencing next week on the 24 October and going for 6 weeks. This program is designed to help the Year 6 students' transition to high school. They will look at timetabling, positive relationships, completing homework, attending to different subject areas and knowing that they will deal with a number of teachers.

TRANSITION TO KINDY 2020

Beginning next Thursday 24 October starting at 9am the Parents and Carers with students enrolled in Kindy for 2020 will enjoy an 8 week program finding out about all things related to the little ones commencing their first year of schooling. It is exciting news that the Midvale Hub staff will share the program 'Switched on to Learning' because they are in the best position to seek outside agency help such as Speech Pathology, Occupational Therapy, Parenting Support, Psychology Services and all those providers who are out there ready to help.

Cheers Marg
