- Assembly B3
- B2 Announcing

#### 8 August

P & C Meeting  
River Rangers Birds of Prey incursion

**Office Hours:**  
8:00am –  
4.00pm

Dear Parents, Carers and Staff,  
Welcome back to Term 3.

It will be the usual mad cap run and hurtle through the next ten weeks.

### Swan View SHS Enrolments.

Swan View Senior High School would like to remind all prospective parents of year 6 students that enrolment forms for the 2019 school year are now due at Swan View Senior High School. If your child will be attending Swan View Senior High School next year could you please ensure you submit enrolment forms as soon as possible as we are processing enrolments now.

Should you require an enrolment pack please ask at our front office or call in to Swan View Senior High School to collect one. The front office staff at the high school can assist you with enrolment queries.

An Orientation Day in term 4 will be offered to all Year 6 students enrolled at SVSHS for 2019.

### School Banking

Please remember that Angela Hewer is conducting our school banking. This is a great program to encourage saving habits with excellent rewards. Angela is only too happy to sit with you and explain how to get your child started with school banking.

### School Uniforms

I know you get sick and tired of me going on about the school uniform but it is a matter of standards. Maroon or grey tights may be worn by the girls but only under a skirt or a skort. I remind you that the school uniform does not include jackets with hoodies. Please don't give in to your child when they demand to wear anything other than the school uniform.

### Second-hand Uniforms

If you have any school uniforms at home that don't fit your children anymore, we would love to have them as we use them for students who get wet and for families that need help. Please bring them into the front office. Any donations would be greatly appreciated.

### Special Programs Term 3

I need to draw your attention to some of the special programs taking place throughout term 3.

**Edu dance** happens on a Friday throughout the day and ends with a concert in week 9.

Mrs Armstrong is continuing her before school Numeracy program during which the kids log onto Mathletics and strive to improve their personal best scores. This has been very popular, and thank you to the parents getting the children to school early.

Mr Peterson will set up another computer program once a week. During this program the children learn how to build a computer. This is "top shelf" learning.

Ms Harmer will host a special science visitor on Tuesdays for three weeks. A retired science teacher will set up experiments in order to develop vocabulary for writing.

Mr Vanderkley's Coding Club will continue for another 10 week period.

Cheers, Marg.
