Dear Parents, Carers and Teachers

A few reminders for some actions which we all need to be aware of and be supportive of.

- Please make sure that your children have enclosed footwear. This is a protective measure. And please be advised that leggings are not a part of our summer dress code. Maroon or grey winter leggings are worn during terms 2 & 3. However, they must be worn underneath the skirt.

- Dogs are not allowed on school grounds at all times. This does not apply to Toby, our licensed therapy dog.

- The end of the school day is 3pm and parents and carers are requested to collect the children shortly after the siren sounds if they are going home by vehicle.

- Signing in and out visitors book / fire evacuation. Parents, carers and extended family members MUST sign the visitors book when visiting the school. Once again this is a safety measure.

- There is to be no more parking by parents and carers in the staff car park. Once again this is for the safety of the children.

- Please make sure that your children carry out the basic hygiene rule of washing hands regularly. Thanks to you the children have a supply of hand wash available! The school has also supplied hand wash and soap.

5 steps to positive parenting

The Triple P-Positive Parenting Program has more than 35 years research to back it up.

These are Triple P's five steps to a happier family life.

Create a safe, interesting environment

Children need to play and explore their world so remove potential dangers from your home and teach basic safety. Provide plenty of interesting things for kids to do.

Have a positive learning environment

When your child comes to you for help or to talk, they're ready to learn. Give them positive attention, even if only for a minute or so.

Use assertive discipline

Children do best in a predictable, stable environment so set clear rules and boundaries and follow through with appropriate consequences. Encourage behaviour you like with praise.

Have realistic expectations

Nobody's perfect-children or adults– so don't expect your child to do more than they're capable of. And remember, all parents make mistakes sometimes.

Take care of yourself as a parent

It's all about balance. You've got to look after your own needs too so make sure you're getting some support, time with friends, fun– and maybe even a little time to yourself.
