Dear Parents/Caregivers,

SCHOOL CONTRIBUTIONS AND CHARGES

The Swan View Primary School Council has endorsed the schedule of Contributions and Charges for 2023. The schedule is broken into two sections and will allow you to calculate all costs that you may incur throughout the school year.

CONTRIBUTIONS

The School Education Regulations 2000 allow schools to request contributions to a maximum of \$60 per child. The School Council has approved a small increase in 2020 and request the amount of **\$30.00 per child** in 2023 in place of the maximum contribution.

Money collected will be used to supplement school expenditure in our priorities of Literacy, Numeracy and Values Education. While contributions are voluntary the quality of our teaching and learning program will be maximised when each family makes its contributions to the cost of supplementing funding gained from other sources, including the State and Commonwealth governments.

Payment of contributions can no longer be paid when purchasing your child's stationery list. You can now pay at the school office by cash, EFTPOS or direct deposit to Swan View Primary School bank account, BSB 066040 Account number 1990 5034 with your child's name as reference.

Families may pay contributions by instalments if they desire.

CHARGES FOR EXTRA COMPONENTS

A breakdown of **estimated** charges for your child's participation in incursions, excursions, sports activities etc for 2023 has been included on the schedule below. Students will only incur costs when they are involved in a particular activity. The amounts indicated on the schedule represent the **maximum** charge your child may incur in 2023. As in the past, you will be asked to make payment for each activity as it approaches.
